

Download eBooks from the library. Transfer to your Nook with Adobe Digital Editions and a USB cable.

Read eBooks on: Nook, Nook Color, Nook Tablet

What you need:

Adobe Digital Editions for Windows or Mac OS
Adobe ID | Library Card | Internet connection

Get an Adobe ID and Adobe Digital Editions software:

1. Download Adobe Digital Editions:
www.adobe.com/products/digitaleditions/
2. Open Adobe Digital Editions. During setup, follow the link to *Get an Adobe ID* (when signing up for Adobe ID, match email with Nook account).
3. Authorize your computer with your Adobe ID.

Download eBooks:

1. Browse/search the library's eBook collection:
<http://chcbl.lib.overdrive.com/>

2. Find an eBook you want and check it out.

Choose EPUB or PDF > *Add to Cart* > *Proceed to Check Out* > *Sign In* > *Select Lending Period* > *Confirm Check Out* > *Download Now*.

3. When prompted to Open or Save, select Open (with Adobe Digital Editions).

Transfer to your Nook:

1. Open downloaded file using Adobe Digital Editions.
2. Select *Library View*. Book covers display on the right.
3. Plug in Nook to USB port. Nook will appear on left.
4. Drag book cover onto Nook icon. Release when green arrow appears.
5. On Nook: View Library/My Stuff/My Files/Digital Editions/ to read library eBooks.

Return eBooks early:

1. Open Adobe Digital Editions and select *Library View*.
2. Click the minus sign next to the book and choose *Return Item*.
